Transfer Multisort Elektronik è un'azienda presente sul mercato dal 1990.

Da oltre 30 anni sviluppiamo, acquisiamo esperienza e stiamo diventando uno dei distributori globali più dinamici di componenti elettronici, elettrotecnici, apparecchiature da officina e automazione industriale. Nonostante la portata internazionale dell'azienda, rimaniamo ancora un'azienda familiare.

Crediamo che un'atmosfera di lavoro positiva, la flessibilità e l'approccio individuale ad ogni cliente consentano il raggiungimento dei migliori risultati.
